Ohio Star

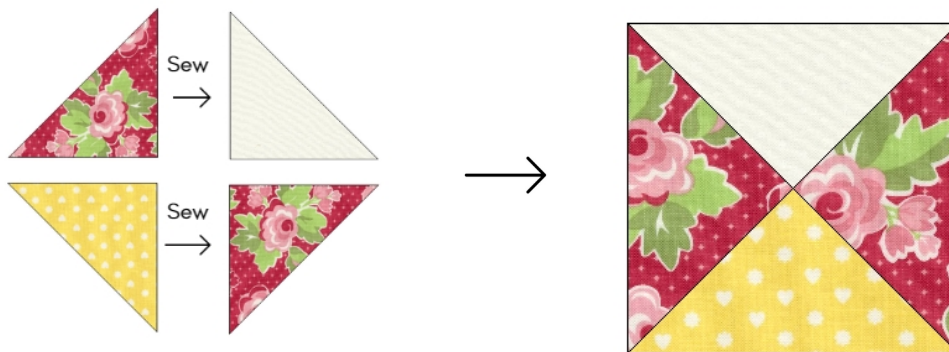

1. Begin by adding your four accent 1.5" squares to the corners of the four 4.5" background squares as shown. Be sure to trim away the excess fabric and press out towards the corners. Set aside the four corner units for later.

2. Cut all of your 6.5" squares (1 background, 2 red, 1 yellow) into 4 quarters as shown below.

3. Now using the quarter squares, assembly your quarter-square triangle blocks as shown below. Square them to 4.5". Make 4 units.

4. Now assemble your block with the units made in steps 1 and 3, and with your remaining blue (or color 3) 4.5" square. Your block should measure 12.5" square. Make a second block using different colors.
