

All Star Quilt Along-Week 3

Fabric Requirements(Per Block)

Background (Cream): (4) 4" squares,
(8) 3" squares.

Color 1 (Yellow): (4) 3" x 4" rectangles.
(1) 5" square.

Color 2 (Orange): (4) 3" x 4" rectangles.
(1) 5" square.

Accent Color (Teal): (4) 1.5" squares.

Helpful Hints:

- Iron your fabrics before cutting for more precise blocks.
- Use a 1/4" seam allowance unless otherwise instructed.

LeMoyne Star

1. Begin by adding your four accent 1.5" squares to the corners of the four 4" backgrounds squares as shown. Be sure to trim away the excess fabric and press out towards the corners. Set aside the four corner units for later.

2. Next make four half-square triangles (HSTs) for the center unit of this block using the 5" yellow and orange squares. Lay them right sides together, and sew $\frac{1}{4}$ " all the way around all four (out)sides of the block. Cut them apart diagonally in both directions (corner to corner) creating 4 half-square triangles. Trim the HSTs to 3" square, then sew together to form the center pinwheel block. Pinwheel should measure 5.5" square. Set aside for later.

3. Now using the 3" x 4" yellow and orange rectangles, and the 3" background squares, make the star legs. First begin by drawing a line corner to corner on the back of all eight of the background squares. Then make two piles (yellow in one, orange in the other). Sew one background square onto each rectangle making sure you sew all of the yellow from the top left to the middle right, and all of the orange from the top right to the middle left. Trim $\frac{1}{4}$ " away from sewn line and press. Then join the one yellow unit to one orange unit as shown and repeat to make 4 sets of star legs. Each unit should measure 4" x 5.5".

4. Last assemble the block as shown. Don't forget to make two of these stars. Use different fabrics for each block for more variety. Block should measure 12.5" unfinished.
