## Wyoming Star

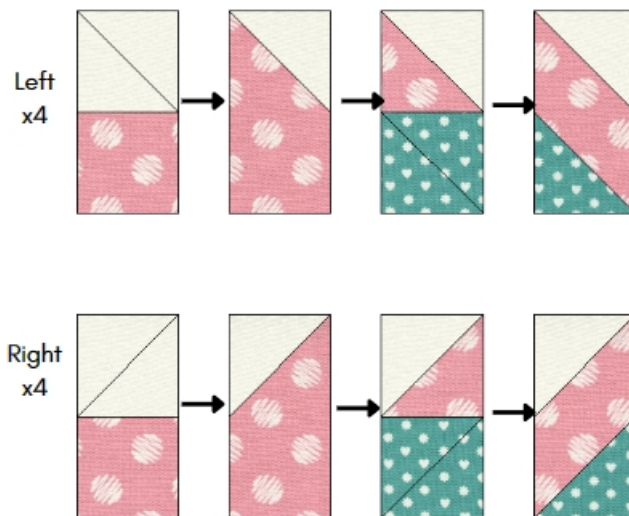

1. Begin by adding your four accent 1.5" squares to the corners of the four 4.5" background squares as shown. And then add (4) of the yellow 2.5" squares to the opposite corner of the accent fabric. Be sure to trim away the excess fabric and press out towards the corners. Set aside the 4 corner units for later.

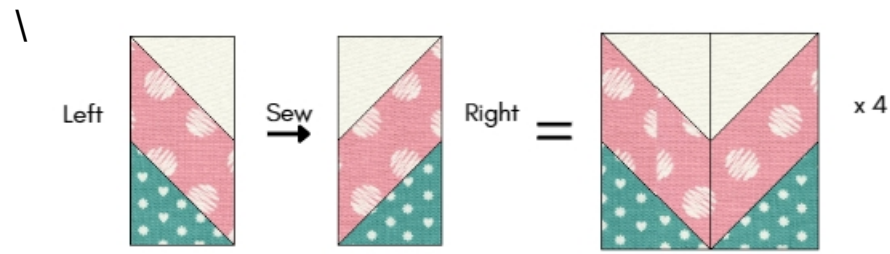

2. Next, make the center unit with the 4.5" green square and (4) 2.5" yellow squares. Draw a line corner to corner on the back of the yellow squares. Lay two squares on opposite corners of the 4.5" square, sew on the drawn line, trim  $\frac{1}{4}$ " away from the sewn line, and press out. Repeat process on the remaining two corners. This is the center unit, set aside for later.

3. Now, make the four star leg units with the (8) 2.5" x 4.5" pink rectangles, (8) 2.5" green squares, & (8) 2.5" background squares. Divide them into two equal piles for the left and right sides. Sew the 2.5" background and green squares onto the rectangles as shown. Sew each right and left pair together as shown below to make the star legs.

4. Last, assemble the block as shown. Don't forget to make two of these stars. Use different fabrics for each block for more variety. Block should measure 12.5" unfinished.
