Helpful Hints:

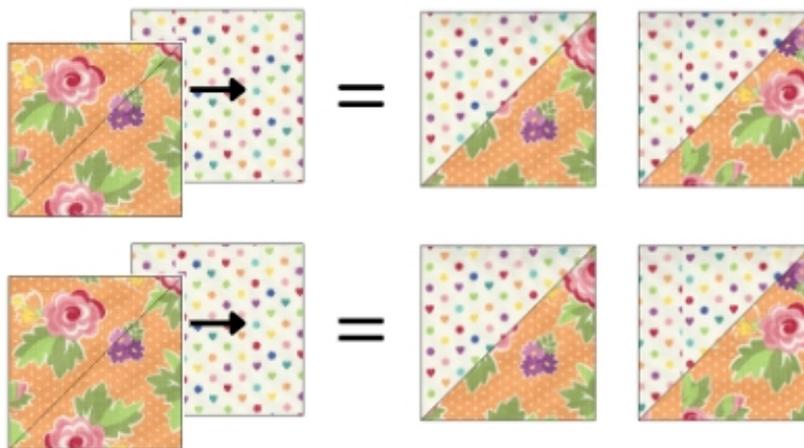

- Iron your fabrics before cutting for more precise blocks.
- Use a 1/4" seam allowance unless otherwise instructed.
- HSTs = Half Square Triangles

Missouri Star

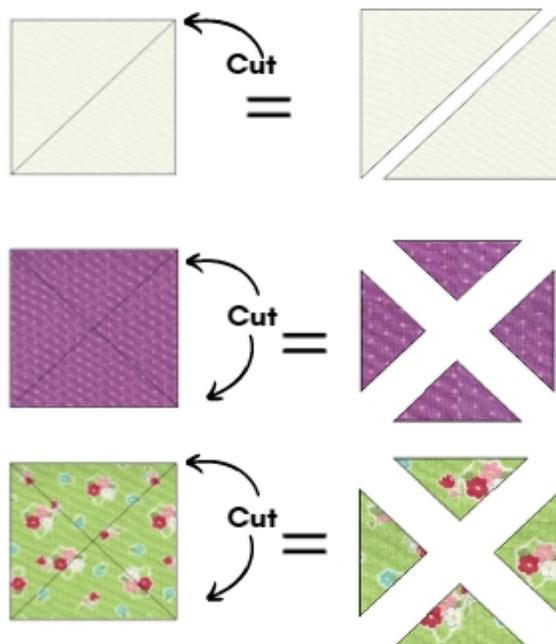

1. Begin by adding your four accent 1.5" squares to the corners of the four 3.5" background squares as shown. Be sure to trim away the excess fabric and press out towards the corners. Set aside the 4 corner units for later.

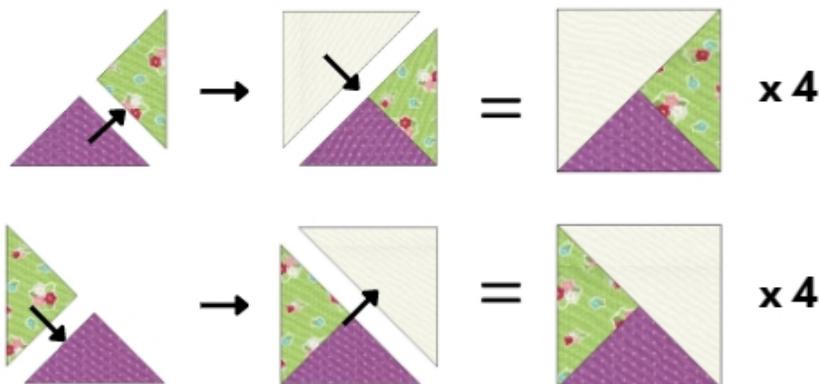

2. Next, using the 4" orange print squares and the 4" multi-color print squares, make 4 HSTs. Draw a line corner to corner on the back of the orange squares and lay them on the multi-color print squares right sides together. Sew $\frac{1}{4}$ " on either side of the line, cut apart on line, and press each square towards the orange fabric. Trim all to 3.5". Yield 4.

3. Now, make the split square triangle blocks. Begin by cutting the (4) 4.5" background squares in half corner to corner. Then cut the green and purple 4.5" squares (2) in quarters as shown. Yield 8 half triangles and 8 quarter squares of each color.

Then sew together two quarter square triangles as shown paying attention to the fabric placement. Press and then add the half triangle to the quarter square triangles. Press towards the half triangle and then trim to 3.5" square. Make 8 split square triangle units.

4. Last, assemble the block as shown. Don't forget to make two of these stars. Use different fabrics for each block for more variety. Block should measure 12.5" unfinished.
