1. Begin by making 16 half-square triangles (HSTs) using the (2) 8.5" blue and (2) 8.5" white squares. Make eight at a time by placing the white square on the blue square, right-sides together (RST), and drawing a line diagonally corner to corner in both directions. Sew ¼" on either side of both lines. Cut apart vertically, horizontally, and then on each diagonal to create 8 HSTs. DO NOT trim during this step. Repeat to create a total of 16 HSTs.

2. Next make 16 quarter-square triangles (QSTs) using the HSTs made in step 1. Place the pieces together with the opposite colors touching, draw a line down the middle as shown on each pair (8 pair total), sew ¼" on either side of the line. Cut apart on the drawn line, press, and trim each QST to 2.5". Create 16 QSTs.
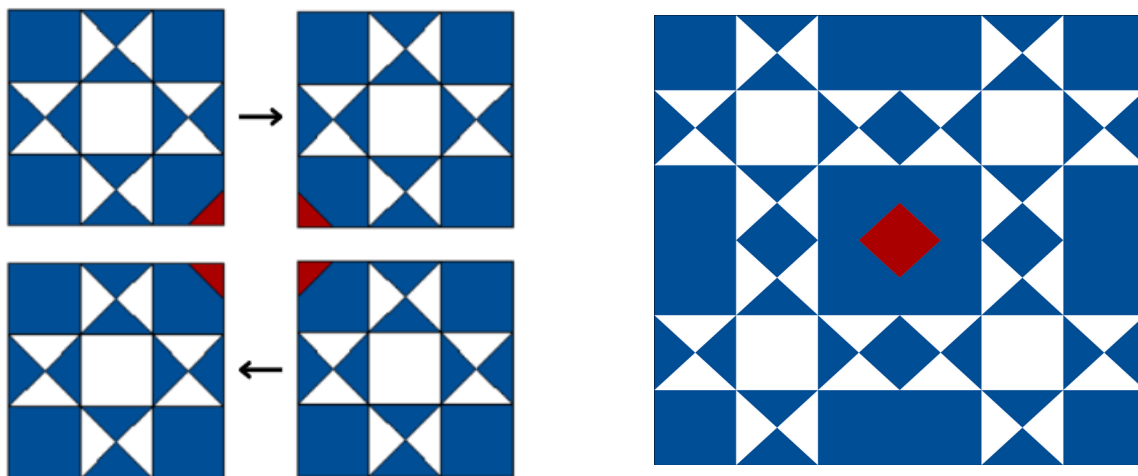

3. Now sew the (4) 1.25" red squares onto the corner of (4) 2.5" blue squares as shown.

4. Now assemble the stars as shown. Make 4. These should measure 6.5" square.

5. Sew all four stars together with the red pieces touching in the middle as shown. This completes the top section.

6. Now assemble the bottom section using the red and white 24.5" strips. Sew a 2.5" white strip to a 3.5" red strip, press towards the red. Next sew the 2.5" red strip onto the red/white strip section, press towards the red. Next add the last 2.5" white strip, then the final 3.5" red strip to create the bottom section of the door quilt. This should measure 12.5" x 24.5".

7. Last, sew your top star section onto the bottom stripe section. Quilt bind and enjoy!
